SWADLEY'S EMERGENCY RELIEF TEAM

SWADLEY'S

Providing clients with customized, strategic plans to meet the challenges of logistics presented during emergency restoration operations is the goal of Swadley's Emergency Relief Team. Our many years of experience makes achieving that goal possible. Our on-site coordinator (OSC), will work closely with every client to ensure all of their logistical needs are met. We are prepared to assist anywhere in the continental United States.

We provide catering services utilizing two mobile semitrailer kitchens. Both kitchens are capable of serving over 3,000 people, on-site, three meals a day. We are proud to say that we have served over one million meals to workers since we began our SERT operations in 1999.

In addition to our extensive catering services, we can also furnish the following benefits:

- Light Towers
- Generators
- Tents / Tables / Chairs
- Heaters & Air Conditioners
- Fans
- Remote Full Service Laundry
- Portable Restrooms
- Showers
- Lodging Quarters

And much more! We believe this sets us apart from the rest!

Our procedures enable SERT to provide the type of dedicated support that allows our team to respond in the quickest, most efficient and cost effective manner. Our highly trained personnel are extremely motivated individuals with intense focus on the overall success of each restoration operation.

We look forward to working with your company. You may contact me anytime on my cell phone 405.410.7333 for more information.
Sincerely,

BRENT SWADLEY

Both full and self-service laundry services can be made available. Full service allows emergency workers to drop off their garments for cleaning. When garments are received, they will be inspected prior to washing. Special requests for detergents may be made for those with skin that is easily irritated (pending availability). Self-service offers workers equipment so they may launder their own garments. Product(s) will be supplied per contractor's request (pending availability).
